The Mira's Open-air Lounge Bar Vibes Puts a Spin on a Friday Night with a New "G&T Remix" Theme

5 January 2018, Hong Kong: Every Friday night the open-air lounge bar Vibes hidden within the spacious courtyard terrace of the eclectic hotel The Mira in Tsim Sha Tsui, lets you mix your own perfect gin & tonic using one of the **15 premium craft gins from 6 origins and unique tonics**, to play with a range of garnishes to match. Alternatively, flip the record and listen to the bartender's greatest hits of all times by picking from "top 10" thoughtfully composed cocktails with distinct herbal, fruity, or lightly bitter profiles.

If you thought G&T is the most cliché drink under the sun, we have news for you. It may have been the Dutch who invented the gin and British who elevated it to a level of an institution, but it's the Spaniards who actually took the art of "gin tonic" cocktails (no ampersand required) to another level.

A small but **impressive library of gins** from around the world – which you may tailor to your taste with a range of exciting garnishes such as dried fruit, fresh herbs, and even flower petals – includes craft gins from Spain, Italy, France, Germany, UK and even Australia. Think iconic, small-batch distilled and handcrafted Schwarzwald Dry Gin "Monkey 47"; elegant Italian take on London Dry Gin "Sabatini" made with precisely nine Tuscan botanicals, and – all the way from Barcelona – "Gin Raw" a herbaceous brainchild of a pair of entrepreneurs created with the help of four masters in their craft: a chef, a sommelier, a mixologist and a perfumer.

Respecting the serious craft and heart poured into the process of developing unique spirits, creative gin & tonic cocktails at Vibes are mixed with **premium bottled tonics**, such as English "Fever Tree", Spanish "Indi", Aussie "Bickford", and Kiwi "East Imperial", each with its own distinct notes and production methods, allowing guests to further customize the experience.

G&T Remix nights at Vibes, with drinks ranging from **HK\$128 – HK\$148 per cocktail**, are for those who wish to learn more about exciting spirits made with unique botanicals and kick back after an intense week at one of the top al fresco lounge bars in Hong Kong.

Putting an extra spin on a fun night out, the **menu is presented on rotating 12" vinyl records**, in tune with the music lounge's DNA where live DJs play laid back tracks 4 nights a week from 8pm till midnight.

G&T Remix is **available every Friday from 5 Jan 2018, from 6pm till late** at Vibes, 5/F, The Mira Hong Kong, 118 Nathan Road, Tsim Sha Tsui.
