

The Mira Hong Kong

The Mira Hong Kong operates to high standards of performance and advocate socially and environmentally sustainable business practices. Our aim is to bring a positive benefit to the societies in which we operate through high quality services, economic growth, environmental protection, community involvement and employment. In order to adhere to these principles, we endeavor to:

- Set sound environmental and social objectives and targets, and integrate a process of review and reporting.
- Comply with all applicable environmental laws, statutes, and regulations.
- Continuously improve environmental performance and reduce environmental impact of our activities.
- Create environmental awareness among our employees, customers, suppliers and the community at large.

All staff will follow the requirements of the Environmental Management System in the performance of their tasks and will ensure this policy is supported and maintained. This policy will be communicated to our customers, suppliers, and subcontractors. It will also be made available to the public whenever requested.
