We are passionate about what we do and our cocktails are crafted with lots of care and attention by our talented mixologists.

All the syrups and cordials are homemade as they make equally important part of original recipes as quality spirits and premium mixers do in a perfectly executed concoction.

Served in original glassware, complementing the recipe in its unique way, these 12 recipes cover a wide spectrum of potency and flavor profiles.

Should you find nothing that suits your fancy, please let us know and our bar stars will stir something special just for you!
