The background of the image is a close-up, artistic shot of teal-colored water. The water's surface is slightly rippled, and numerous bright, out-of-focus light spots (bokeh) are scattered throughout, particularly concentrated in the upper and right portions of the frame. These spots vary in size and brightness, creating a shimmering, ethereal effect. The overall color palette is a range of teal and seafoam greens, with the white light spots providing a high-contrast, airy feel.
