WINE

Château Musar was established by Gaston Hochar in 1930 and is without doubt Lebanon's top wine estate. The red is a blend of Cabernet Sauvignon, Carignan and Cinsault. Serge Hochar, who was the wine-maker since 1959 stated that the Cabernet Sauvignon provided "the bones and the skeleton of the wine, the Carignan the flesh and muscle and the Cinsault the silky smooth finesse". Musar wines are unique in that Hochar blends the varietals only after two years then waits another year before bottling, and then a further four years before releasing the wines to the market. This gives time for each variety to develop its own character and influence the final blend. The wines are extremely long-lived with 60 year old vintages still showing extremely well.
